

FINAL PRESENTATION

11th Grade Bible: 2017-2018

Content Description:

Presentations will range in content and delivery based on student preference (5-7min). They will address overall understanding of apologetics or a specific topic/s. The format and style of the presentation is up to the student. It could be one of the following: pamphlet on a particular topic, power point with overall knowledge, video portraying scenarios where knowledge might be needed in personal conversation, or an activity that encourages or challenges classmates.

Student Learning Objective:

This will serve as a culmination of the knowledge gained throughout the semester. Personally, it will provide the student a chance for reflection and clarity in the area of apologetics as well as the opportunity to continue building their confidence in sharing publicly in defense of their faith. Ultimately, this is a college level class and it is up to you how to prepare.
